Seminar Question Stems

Choose 2 stems, write your questions based on your 'chunk' of the article, and answer both of your questions in complete sentences.

- What would happen if… ?
- What are the consequences of…?
- How could … be used to … ?
- How does … impact … ?
- How does … fit with what we learned before?
- Why is … important?
- What is the best … ? Why?
- Please explain why/how … ?
- Do you agree or disagree with … ?
- Can you see a possible solution to…?
- Do you think… is a good or bad thing?
- What do you imagine would have been the outcome if… had made a different choice?
- What was the problem with…?
